THE ARTIST BEHIND BHMU

Bhavana

Hair & Makeup Artist · GTA, Canada

Bhavana grew up watching beauty as a ritual. Her mother draping sarees with the precision of a painter, her grandmother lining her eyes with kohl before every prayer. Beauty, in her world, was never vanity. It was love made visible.

When she moved to Toronto, she carried those rituals with her. And somewhere between building a life in a new city, she realised this was her gift to give. Not just to herself, but to every woman who sits in her chair.

With over 2 years of experience serving brides, mothers, and women across the GTA, Bhavana brings the same care and intention to every look, whether it is a traditional South Asian wedding or a modern party glam.

"You deserve to feel extraordinary. Not just on your wedding day. Any day."
